pat board®

activates agility

ABOUT PATBOARD

We believe in visual and physical

At PATboard we believe in working agile. Our products are designed out of our passion for scrum and lean project management. We think physical and visual tools improve interaction and communication within a team.

Creating visual tools is in our DNA. We see it as our mission to make tools to help teams perform better and have more fun. Our products offer the perfect tools for lean and agile project management.

OUR CUSTOMERS

Helping our customers

We are driven to help our customers improve their agile and scrum project management. That mission, and our focus on product quality, is why our customers love our products.

Excellent (Reviews.io)

Our customers reviewed us as EXCELLENT and gave us 4.68 out of 5 stars. We are proud at the fact that 96% of our reviewers would recommend PATboard to others.

SCRUM BOARD - FULL TOOL SET

FOLD

Fold the edge of each card so you can grab and stack more easily.

TASKcards

The standard task card. This card is used for all your tasks on the board.

STACK

Stack all the unused cards at the bottom of your board.

TEAM & EMOTicons

Icons can be used to assign tasks to members in your team or to indicate the progress on a particular item.

IMPEDIMENTcards

These small cards are used to mark impediments on your board.

COLUMNcards

Used to define the columns on your board.

PATlanes

With our adjustable lanes you divide your board into columns or rows.

STORYcards

STORYcards are a bit longer than TASKcards, so there is enough space to write down your user stories.

PRODUCT FEATURES

MAGNETIC

- > Reusable
- > Magnetic backside
- > Sticks to metal surfaces
- > Perfect for whiteboards

NANOCUPS®

- > Reusable
- > Nanocups® backside (no glue)
- > Sticks to all 100% flat surfaces
- > Perfect for glass(boards)

Write
The ink of our markers will dry in a few seconds. **Don't use** whiteboard or permanent markers!

Wash
Hold the cards under a running tap and be amazed how easily the ink will wash off with water.

Share
Discover with your team and stakeholders how simple communication can become.
